## WEEKLY AWARDS

Our weekly award will be held at 7:00pm on Sunday 5 May in the Sports Bar Area at the Tuggeranong Southern Cross Club.

## Rising Stars Match Report

Every week we come to the game with a couple of key words for the boys to focus on for the game. It was only fitting that Respect was this week's word and focus. We spoke about respecting the jumper they are playing in, respecting the opposition and respecting the umpires. We are really proud of how the boys conducted themselves this week and the respect they showed all at the ground on Saturday.

With a number of forced changes this week due to injury and with Joe Dunn and Adam Walker getting the call up to first grade for their debuts (Congrats and well deserved lads), Saturday's team had 8 changes from the team that met Marist only 10 days prior.

We started the game out a little slow again and Marist got the early jump on us. We fought it out hard through the middle of the ground but struggled to convert up forward which made it very hard to close the gap on the scoreboard. We went into half time 30 points down and with Marists confidence high.

A few structural changes at half time and a chat about belief and respect really sunk in with the boys after halftime. We wrestled back control of the footy and started to win the one on one contests we were losing in the first half. But for all the hard work and effort we still went into the last change 28 points down.

The 3 quarter time huddle was different to last week, we could see in how the boys reacted to that third quarter fight back, we could see that they had belief they could run Marist down. Big Credit to our leadership group for how they reacted and believed in the team at 3 quarter time.

The last quarter was dominate. We were composed with the footy coming out of the backline and through the middle of the ground, we lowered our eyes going forward and goal by goal we ate away at their lead and came away with a very satisfying come from behind win.

We had a number of great contributors throughout the game, but it all started with our mid-field group, Ryan Kennedy, Brad Hancock, Andy Grieg, Connor Ashcroft and Tom Scrivener were dominate all day and provided the spark in that last 30minutes of footy to get us over the line. The backline was held together perfectly by our skipper Ash Laing and the run provided by Lachlan Bryce was damaging. The forward line was structured around Mitch Thomas who showed his class and composure all day, with the help of Liam Luton and Ethan Bates who provided dangerous options at all times

Congrats to the boys who made their debuts in the stars this week. You all played your role for the team to get us over the line.

Let's build off this lads and set the standard.

Mark Woodward & Ricci Miller

## Hawks Senior Women Match Report

This week we travelled to Queanbeyan with the expectation of meeting the team touted as the benchmark of the competition. We found out that those expectations were well founded and we were dished out an impressive football lesson.

It has been really disappointing for our side from the 1<sup>st</sup> game that we have suffered some really bad and long term injuries to a number of our highly skilled and senior players.

The thing I love about this team is that sort of thing doesn't stop their enthusiasm, and will to give their best effort under any pressure. We also had some illness and soreness this week as well so we were really under the pump, but to their credit never gave up no matter what the score was. It was also mentioned by some of our players that the Queanbeyan players after the game said that it was much harder than it looked and enjoyed the contest we gave them. (Unexpected was the theme)

I believe we learnt a lot from that game and understand where we need to be to be more competitive.

Congratulations to the award winners, Annie, Nikki, Kat, Dav's and Sabrina. Terrific effort, but a well fought out game till the end by everyone.

We look forward to the challenge from Belconnen this week on Sunday and I'm sure we will give our best and shake them right up.

Cheers.

Pete.

## Hawks Women 2nds Match Report

It was with great expectation and excitement that this day had arrived, it was the day that the Hawks Women's group and the club had put together their inaugural 2<sup>nd</sup> team to play in the Regional competition.

This has not eventuated without a lot of hard work from people throughout the club and in particular our President Leo Lahey with his passion to encourage women to play footy.

We have been very fortunate this season to have great numbers come and want to play at the Hawks. It was really a no brainer not to try and have another side so that all the players would at least have the opportunity to play AFL at our club. We have also been very lucky to engage the support from the ANU and Woden Blues Women's teams as they also had extra numbers but couldn't go it alone. They have offered us 8 to 10 players each week to ensure that all will get a game each week.

Our 1<sup>st</sup> game of the season would be met with a lot of unknowns as a 3<sup>rd</sup> of the team were from other clubs. This actually turned out to be a fantastic bonding session between all players, who were just excited about being able to play a game.

Congratulations to the award winners, Annie, Nikki, Kat, Dav's and Sabrina. Terrific effort, but a well fought out game till the end by everyone.

We look forward to the challenge from Belconnen this week on Sunday and I'm sure we will give our best and shake them right up.

Cheers.

Pete.
