## Rising Stars Match Report

**Rising Stars v Gungahlin 11 May**

For this weeks game we were looking for some redemption as The Jets beat us in round 1 by under a goal. We were really looking to come out from the start and show we had come to play and for the first time this year the vibe pre bounce was exactly what we have been looking for. Everyone was up and about and focused on what they had to do for the team.

We played a dominate first half of footy, keeping The Jets scoreless for the half and kicking 7 goals ourselves. The backline was led by the ever reliable James McIntyre and the raging bull Lachie Bryce who really shut down any options The Jets could throw at them.

The second half produced some of the footy we knew the boys had in them. Clean, composed and dominate. The midfield led by Ryan Kennedy, Brad Hancock, Tom Scrivener and Andy Grieg we're dominate and provided our forwards with a number of opportunities to score.

But it was a forward kind of day, with the Liam's (Shallies and Creech) standing out and dominating for us all day. Creech had a field day making the most of his opportunity's kicking 8 goals for the day.

Great momentum builder for the team moving forward and can not wait to show The Tigers this weekend what we are made of.

## Hawks Senior Women Match Report 11 May 2019

There was great excitement around this clash with the Gungahlin Jets as they had also suffered the losses we had. We lifted the tempo and intensity at training this week and hoped it carried through to game day. I entered the rooms to find everyone was up and about with enthusiasm about the game and Em's 21<sup>st</sup> celebrations that night. It was a really good vibe and everyone was keen to get out there for the warm up. We completed our pre game and we were all raring to go.

We ran into the colosseum with great expectation that this was going to be our day. Well right from the first bounce we had it into our forward line and Dav's put through our 1<sup>st</sup> major. You could see straight away, the heads of the Jets dropped immediately and we just started to dominate all round the ground. The team work, the talk and the poise of players was taking over and we were on our way.

It was a fantastic feeling knowing that everyone was enjoying the game and able to move the ball and show the skills we possess. I think early in the game we realised that we were a big chance to take this one out if we could hold our composure and continue. The biggest problem we had all day was our kicking for goal, we were slotting points like they were what we were supposed to do.

Everyone was playing their part and we ended up with a great win 6.15 to 0.000

Congratulations Ladies a fine effort.

Notable mentions Annie G. Steph L. Dav's. Kat G. Sarah O.

A huge congratulations to the 6 players who made the ACT South Team V's ACT North

Annie G, Kat G, Kate D, Charlie M, Nikki H, Steph L.

## Hawks Women 2nds Match Report 11th May 2019

We set off to the dark side for the second week in a row, we knew we were in trouble with numbers this week through illness and injury and the fact that our helping club ANU were unable to give us the numbers they had done previously. It looked like we were going to have to forfeit the game at one stage because just before the game was supposed to start we only had 9 players but a couple of quick phone calls and an obliging Belconnen coach and team we were able to start later while some extra ANU girls made their way from their game in town out to Belco. We ended up with 12 and through the good will from Belconnen lent us 2 players so we agreed to play 14 aside to give everyone a game.

The game got under way and was pretty even throughout although neither team could afford any injuries because there were no interchange players for both sides. It was a very good game with the play going from end to end but unfortunately some of our girls were starting to tire and cramp because it was their second game that day. It was a really good tussle but in the end we went down by about 3 goals. Very proud of the girls for their efforts.

Best players were Georgie S ANU, Nat L. Steph K, Dakota, Nat V and Cassidy.

Pete.

# Capitals legend Kellie Henning leads all-star women cast for function

Canberra Times

Mitch Terpstra, 14 May 2019

Canberra Capitals championship-winning captain Kellie Henning will lead a list of guest speakers at a women in sport function at the Canberra Yacht Club on June 1.

Henning (nee Abrams) won six WNBL titles with Canberra and will be joined by Netball ACT's Louise Bilston, jockey Kayla Nisbet and GWS Giants Canberra-born player Britt Tully.

The ACT government and the Tuggeranong Hawks have teamed up for the event to celebrate and recognise women in sports around Canberra.

The event will be used as a tool to further advance gender equality, break cultural barriers and improve social outcomes through promoting all female sports.

ACT sport minister Yvette Berry said: "Great things are happening at all levels of sport and the ACT government is providing support for better female board representation, more inclusive facilities and greater participation for girls and women in organised sport."

The evening will double as a celebration for the Hawks introducing a second team to the AFL Canberra women's league. All the proceeds raised through the event will go directly towards the development of girls and women in sport throughout the Tuggeranong Valley.

Henning was the Capitals' skipper through the club's dynasty era, including back to back championships in the 2008-09 and 2009-10 WNBL seasons.
