A Note from the Junior AFL Director

Firstly I would like to start off by introducing myself. I am Amanda Lowes, I have been a manager for my son's team for the past 3 years and this year have joined the committee in the role of the Junior Director.

I'm passionate about our club and it's growth in the Tuggeranong Valley and look to you all to help build on our success.

I want to be able to support all your families and the wonderful coaching staff to ensure we have a smooth and fun filled 2022 as a community.

With another challenging year behind us, I would like to thank everyone that has made this past season the success it was and hope season 2022 to be stronger and longer.

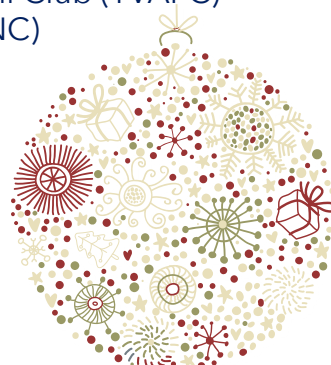

As the festive season fast approaches, I would like to wish you all a very Merry Christmas and a safe and fun New Year! Take care and we look forward to seeing you all back at the park very soon.

JUNIOR AFL NOTICES

CLUB PLAYING JUMPERS

Thank you to everyone that has returned their playing jumpers so far.

After reconciling returned jumpers with the list of jumpers handed out at the beginning of the season, we are still approximately 100 jumpers short.

Each jumper costs the Club around \$50 each to replace. If we are required to replace all of these missing jumpers, it will impact our ability to keep registration costs low and we will be required to do more fundraising to recuperate costs.

If you have not returned your playing jumper, please contact Terry Pink at terrypink14@gmail.com to arrange a time to return it.

Thank you for your assistance.

DUKE OF EDINBROUGH

Proud to deliver

THE DUKE OF EDINBURGH'S
INTERNATIONAL AWARD

TVAFC is the first Sporting Club in the ACT to be appointed as an Award Centre and as such is now able to deliver The Duke of Edinburgh's International Award Program to young adults between 14 and 24 years of age in the Canberra region. The Award is a global youth development program, empowering young Australians to explore their full potential regardless of their location or circumstance. It is a life-changing experience. A fun time with friends. An opportunity to discover new interests and talents. A tool to develop essential skills for life and work. A recognised mark of achievement; respected by employers. Through the Award young people have fun, make friends, improve their self-esteem and build confidence. They gain essential skills and attributes for work and life such as resilience, problem-solving, team-working, communication and drive, enhancing CVs for University and job applications.

The Award is broken down into four (4) key components:

- Physical Recreation
- Skills
- Voluntary Service
- Adventurous journey - (2 days + 1 night)

But what do I actually need to do to complete the Bronze Award and how can TVAFC help?

We have designed a program that will allow you to complete all aspects of the Award through the football season (a one stop shop). By simply being a part of the Club, training, playing football and helping out you can complete the Bronze Award in as little as 6 months. There are heaps of different ways to do this including:

Physical Recreation

- Playing weekend games and attending TVAFC training

DUKE OF EDINBROUGH
