We're All
In This
Together

A Word from the President

Just when we thought we might be able to get in a full season in 2021, the pandemic has once more stolen from us the ability to really celebrate what has been a great year across the entire Club. We continue to remain engaged with AFL Canberra in the hope that the league is able to play out at least the finals series across juniors and seniors, however with each day that passes it becomes less and less likely, but we won't give up hope.

The current restrictions have caused significant disruption to the Club and all of those who work so tirelessly to bring everything together however there is still a lot of work behind the scenes occurring and I want to thank all of those who are still contributing significantly to doing what we can at this time.

It has been really great to see so much support and positivity being sent across the Club during the current lockdown, and it truly illustrates why we have such a strong Community with which to build a great Club. The first two years of the amalgamation have been extraordinarily challenging and of all the obstacles we thought we might have, a global pandemic was not one of them, but it has built our resolve to deliver on our promise and having had the privilege of watching so much football across so many grades this year I am certain we are well on our way.

As more information comes to hand, we will keep everyone up to date, however in the interim, on behalf of the TVAFC Board please look after yourselves and your loved ones and we will hopefully see you all back on the park soon.

SPONSOR SPOTLIGHT

McIntyre
PROPERTY

McIntyre Property, your local real estate agents are a major sponsor of the Tuggeranong Valley Football Club. You would have noticed that the **McIntyre Property** logo is on all our playing jumpers. Col McIntyre has been a sponsor of the Club since 2017 and a past Board member. Many of the Clubs younger players would have benefited from **McIntyre Property** for most of their football careers. They and have been avid supporters of not only the Hawks but the Lions and Bulldogs over this time.

Col has been selling real estate for 24 years in the Canberra area and established the family business 14 years ago with wife Jo. **McIntyre Property** focus on Residential sales and Property Management (Rentals) across Canberra with over 20 staff members employed across 3 offices Lanyon, Greenway and Belconnen.

Col stated, "As a team we are passionate about property and helping both buyers, sellers, lessors and tenants through the process of either selling their family property or securing the best tenant possible for their investment property. Making the process as easy and stress free as possible"

Col has a soft spot for the Swans and his claim to fame is, to have kicked the footy with Dennis Carrol when he lived in Tumbarumba prior to making it to the AFL.

In Supporting Col and his team, you will receive professional informed advice regarding the local market as his team is established and reliable and know the market and the best way to achieve the best price or find the best tenant for your property.

Col has a number of homes for sale presently in the Tuggeranong Valley with these two standouts for sale By Negotiation.

CLUB FACILITIES

KAMBAH OVAL INFRASTRUCTURE

The double roller door shed at Kambah Oval came about from the successful grant awarded in December 2019 through the Stronger Communications Programme in the Department of Industry.

ACT Sportsgrounds approval of the shed was granted in April 2020, with the build contract was awarded to Sheds Shade and Turf Pty Ltd in June 2020.

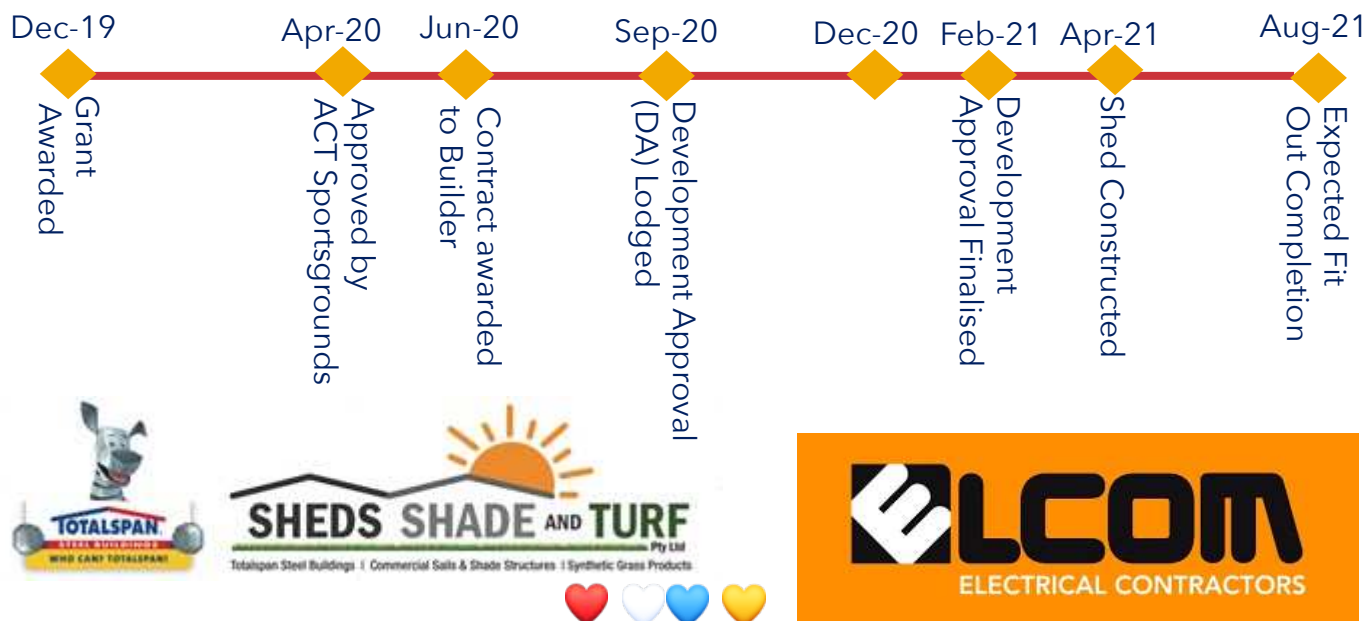

The Development Approval (DA) submission to the ACT Government (ACTPLA) was lodged in early September 2020, approval was provided in February 2021, and construction was completed in April 2021.

The timeline from being awarded the grant in December 2019 to construction completion in April 2021 was protracted and impacted by COVID.

Andy Phillips from ELCOM Electrical Contractors has completed significant electrical work on the shed. Thank you to Andy and his team for their great work.

The internal fit out of the shed is in progress and is being undertaken by members of the Club community including Ben Symons and Dylan Johnstone. The fit out was scheduled to be completed in August 2021, however, will now be delayed, due to the current strict COVID restrictions in place.

The Club is very appreciative of all that have been involved in the Shed conception and construction.
