## A Word from the President

It has been a little over six weeks since the AGM and the Board is in full swing making plans for the season ahead.

A full list of the 2023 Board roles is further on in the newsletter, but one I specifically wanted to call out is the new role of Director of Volunteers that Rachael Kennedy has taken on.

A big focus for this year is looking at ways to encourage and enable as many of you as possible to be involved in whatever capacity you may have. Be it turning sausages, taking on an age group coordinator role, diving into our history or helping with the finances, this is your chance!

If you would like be involved this season, simply send Rachael an email at [volunteers@tuggeranongfc.com.au](mailto:volunteers@tuggeranongfc.com.au) and she will touch base with you in the new year to chat about different options available. Special thanks to those that have already reached out and are getting involved, it is positive to see.

On a more sombre note, on Monday 5 December a fire broke out in the storage area at the Gordon oval on Midge St. Unfortunately, this storage area is where a significant amount of our junior gear was stored including, playing guernsey's, footballs, and other training equipment. The fire is being treated as suspicious and we have been assisting ACT Policing as they investigate the matter.

It is disappointing that those responsible do not appreciate or recognise the value in community sport, the blood sweat and tears of people that volunteer freely of their time and the amount of work that goes into accumulating all that equipment and gear over decades to benefit our local area.

It is certainly not how we wanted to see the year end, so I am looking forward to ending things on a much happier note instead, at our Family and Friends Xmas Catch up on Saturday 17 December. For those that haven't been to the Laneway at Canberra Southern Cross Club Tuggeranong before it is literally the laneway between the club and the basketball stadium. I'm hoping to see as many of you as possible there during the afternoon.

On behalf of the entire Board, I wish you all a wonderful holiday season and to those of you travelling, be safe and enjoy your time away.

## **Your Club need you!**

Like all great community clubs volunteers are a vital part of our success. If you would like to be part of an organising committee for a function, turn up on the weekend and turn sausages for an hour on the BBQ, hang out in the canteen where it is a little warmer, sell merchandise or help out at club functions then I will have the perfect role.

In the lead up and throughout the season I will be calling out for volunteers for various roles across the club. If you would like to be on the volunteer mailing list, please send me an email at [volunteers@tuggeranongfc.com.au](mailto:volunteers@tuggeranongfc.com.au). If there is a particular role you would enjoy or are keen to do please let me know.

Looking forward to working with all our great members across the club.

Players/Teams can choose to coordinate their own teams and contact the Club to request to borrow club equipment/uniforms if available.

Junior Footy/Netball Coaching appointments – Junior Footy/Netball coaching appointments are done on an iterative basis from late December onwards. Coaching appointments are made based on a set criterion and the number of coaches for each age group determined on what is initially known based on true age group numbers that were registered the year before. Junior Football and Netball Directors will subsequently inform coaches of their appointments well in advance of training programs commencing. Once registrations are received, numbers will be monitored, and additional coaches appointed as required.

Junior Footy/Netball Team allocations – Each year team allocations will be made in accordance with respective team allocation policies. Whilst every effort is made to ensure players are with their friends, the Club cannot guarantee that players will be in the same team each season.

Any questions in relation to the above can be directed to the relevant Director via our website.
