RISING STARS V Eastlake at Manuka 17 August

Going into this week we knew we had locked in a finals spot. But this game meant more than just going through the motions. A win would guarantee a top 2 finish and a chance against Marist next week to go straight into the grand final.

With another chance to play on Manuka oval, the energy and excitement in the rooms pregame was electric. The boys had come to play and knew what was on the line.

The first quarter we were kicking into a 3 goal breeze and really controlled the game. We created good shots on goal but just could not capitalise on our chances kicking 6 points. The second and third quarters were a bit of an arm wrestle with both teams playing some pretty good footy and creating opportunities up forward to score. We headed into the last quarter with scores tied, but we were kicking with the wind in the last.

Our backline in the last quarter really held their own and stopped any forward movement from the demons, our mids moved the footy well through the ground and created good scoring

opportunities for our forwards to ice the game.

Although the final score was close, the game was played on our terms for the most part, but we just could not put them away earlier.

We as coaches are super proud of this group of young men, we head into finals this week knowing how important this is to this group but more so to the footy club as a whole. We know what's at stake and we are ready to take on the challenge.

We want as many of the senior team down to cheer us on on Saturday. We will not disappoint. Get around us!!

Tuggeranong Senior Women week 15

All of a sudden it was the last round for the season, it had snuck on us all too quick. Some would say thank goodness, others not so much as they felt they were really starting to work this game out.

Never the less we had to line up against Eastlake on a Friday night at the AFL's football Park in Phillip. We knew we would be in for a struggle as they were preparing for their finals campaign and would have a very strong side to make sure they were cherry ripe. We in contrast wanted to go out with a bang and prove that we weren't just going to go through the motions. The plan was to play with as much pressure and passion as possible.

The opening quarter saw our opponents kicking with a fairly stiff breeze advantage which was blowing probably across to the half forward flank area but a definite plus for them. The 1st is always a bit of struggle for both sides as we all seem to wait and see what each other are doing or it may just be that it takes a bit of time to get going, and this was no exception. It took till half way through the quarter for them to score the 1st major, then they followed with a few more. There was no doubt we were in for a fight but believed we could really make them earn everything.

The second was under way and the breeze had dropped a bit and was more straight across the field. We advanced toward our 50 but we were quickly turned back by a strong defensive outfit. This was the case on most occasions, we just couldn't penetrate our 50 to build a score. The demons starting hitting their straps and were playing some very good and highly skilled footy to score a few more times, but they didn't have it all their own way and we made it very difficult for them and turned them away on many occasions. The main break came and we had to regroup and change things up.

We made some changes and threw a few players around to see if we could move the ball a bit better into our forward line. This worked well for a while but the skills of Eastlake were well above ours and the second half was much the same as the 1st but we managed to hold them at the finish to only 10 goals 12 behinds, and many of those minors scores were forced by our pressure which was great.

Best Players were Greeny, Holly, Sabrina, Kat, Nat and Erin, with Nat as player's player.

It would be remiss of me not to mention all players involved in this team throughout the season, you have all been absolutely fantastic and have come so far in such a short period, and you have all made me so proud as a coach and person to call you a team of champion people. You have responded to everything thrown at you and taken on all tasks with such great passion and commitment. You are certainly a credit to yourselves and the club. You have also been led by one of the nicest and most dedicated captains I've had the pleasure to work with. Kat who always put her body on the line for her team and led by example to inspire her mates. A true champion of football and an unbelievable club person. (Her father's daughter for sure)

A huge thanks to Leo for his passion for women's football, his guidance and support throughout the year, it has been immeasurable. The assistance of Timmy G who was always at training and games when he could. One of the biggest thanks goes to Kim, our manager who was thrown into the deep end at the start and it was like fish to water. A very popular member of the group who did a fantastic job, she was always across everything, she was so organised on game day's it made life so much easier for everyone, except chasing me with those dam voting slips each week. Happy & proud Pete.
