## Under 17 Match Report

We were up against Eastlake Black for the second time of the season. After recording a solid victory in Round 1, there was the anticipation of recording another this time around, but unfortunately the result didn't go as expected and we were unable to get another win over Eastlake.

The first quarter saw an even contest and scores level at the break.

The second was where we let Eastlake get over the top of us and they were able to out-score us by 3 goals to 0. That was the difference in the game, one quarter lapse and we couldn't pull it back from there.

The third and fourth were very even contests and the majority of the play in our forward line, but unfortunately for the second week in a row we weren't able to capitalise on that advantage and get the score on the board we would have liked.

Richard

## Rising Stars Match Report

### **Rising Stars ROUND 9 (1 June 2019) – Hawks v Ainslie at Greenway**

Our Round 9 game against Ainslie was a stark contrast to our effort the previous week against Eastlake. Ainslie took control of the game from the outset & we were never really in the contest. Having prided ourselves on our 4 quarter efforts in our previous 3 games it was particularly disappointing how we played the game; second to the footy, too loose in defence, overuse of the footy and poor skills and lack of overall run. Credit to Ainslie, they really prepared for us well and played a great team game of football. We will look forward to future battles with them as a quality opponent throughout the year.

Any loss is disappointing, but this loss hit home hard as we know that we are so much better than this. Rest assured, we will learn from this and make the necessary adjustments to our game to ensure we hit back hard against Queanbeyan in 2 weeks' time, after a well-earned week off for the long weekend.

Cheers,

Ricci & Woody

# Hawks Senior Women Match Report

We arrived at the ground with some great expectation that this could be our time to knock off this cocky Ainslie group. Nothing could give us greater pleasure with the upcoming party later that night.

We had a terrific start not letting them push forward for easy entry and in fact we had all the play early then forced the ball forward where who should pop a for a goal, Beth Matters, wow I reckon her 1<sup>st</sup> in a while. We really kept up the pressure well in the 1<sup>st</sup> quarter with tackles and defensive pressure. At the 1<sup>st</sup> break we were only a few points down and upbeat.

The 2<sup>nd</sup> term started quite well as we continued the pressure around the ground but just couldn't manage to get some goals on the board. It was difficult to pierce their half backline as our delivery wasn't as we would have wanted as they had a few race horses that ran the ball away quite easily. Close to the end of this period we just lost our way and dropped off our defensive efforts and let their players run a bit loose enabling them to kick a couple of goals just before half time. At the half time break we were still only 2 goals in arrears.

We had really run well and with a restricted bench and some illness still affecting some players we looked a bit tired and run down.

The second half proved to be much the same as the end of the second quarter where we just didn't take care of the loose players running into dangerous areas and they managed to kick a few more goals. Although there were some dubious decisions from a commentating umpire, doesn't do great things to the players who are doing what they are told, tackle correctly and not reaping any rewards for their hard work. Very frustrating for all, but we can only control what we are doing.

In the end we only went down by 6 goals or so which is a huge improvement to the first round when we had nearly a full list playing, so a credit to you all for the impressive level you have lifted to. Next time they ought to be worried because they are not really that much ahead of us right now.

Some fantastic efforts during this game particularly the return of our loved Greeny who became a mum to the gorgeous Chase only 8 weeks ago and looked as if she hasn't really missed a beat, and will only get better in weeks to come. Kat and Annie, who played through a very emotional period with Mary's mum falling very ill before the game. Love to all. And a number of players not well with continuing illness.

I believe the bye this week has really come at a great time for us. Give us a break to regroup and get on top of all these things, because we are NOT far away from being a much more competitive side and really scare some of these other teams.

Best players this week were Kat, Greeny, Annie, Erin and Nikki. Player's player Kat.

Well done to everyone who attended the Cocktail Party and supported the club in another function to particularly celebrate you women in sport. A great night was had by all.

Cheers.

Pete.

## Hawks Women 2nds Match Report

It was a chilly breeze that greeted us at the top oval in Gordon for the 1<sup>st</sup> day of winter. We arrived there to take on the very fancied Riverina team who had made the trip to us as a favour because of the cocktail party the club was involved in that night. It was much appreciated and we thank them very much.

The usual scramble had eventuated the day and night before to scratch together a team to run on the paddock. Again we had suffered injuries up the line and with others sick and away we managed to pull 16 players with the help from some of the senior team putting their hand up to double up once more. Special thanks to Maddie, Kez and Steph k for that effort.

We were also blessed to have another comeback from retirement in Rona Rich who also convinced her 13 year old daughter Charlotte to play and was that good against many older and experienced players she ended up with an award, but poor old mum ended up with ice for her strained hammy in the 1<sup>st</sup> quarter but bravely played through not letting the team down. Another couple of young ladies from the Bulldogs that came down to help out were Jess Lee and Zara Synnott and recruit Katy Ley who all showed great footy brains and skills. Unfortunately poor Katy suffered a bad thumb/hand injury which sidelined her early on. Thanks also to ANU for supplying 5 of their players to help out, unfortunately Krissy Faigl who was starring at C/H/B suffered a very serious knee injury and thanks to the Rich family car we were able to pick Krissy up from the other end of the oval as she was in excruciating pain and was unable to move. She was in great hands with our medical expert Georgia who looked after her magnificently throughout.

The game ended up being a bit of a blowout only due to the fact that we only had 12 on the field against a very good Riverina side that did not back off. Notwithstanding this everyone out there gave their all and never stopped trying.

Cheers.

Pete.
