Rising Stars

Off the back of a disappointing game against Ainslie we were looking to really come out this week and take control of the game from the start.

The first half, although we felt like we controlled the footy and the game we were not able to put the score on the board and put Qbn away.

The third quarter was a tale of 2 halves as they really controlled the first half of the quarter but to the boys credit they worked their way back to control and dominate the last 10 mins of the third and the last quarter to take out a great confidence boosting win.

Again it was the midfield who dominated for us with Hancock, Kennedy and Greig giving us full control out of the middle. Our backline again was solid, defending well and provided great run from behind the footy. Lupton was super creative up forward this week along with 1st gamer OBrien who provided toughness and finished with a few goals.

Today was also the last game for Josh "Dusty" Mak as he has accepted an electrical apprenticeship down the coast. He will be missed but we wish him all the best.

Woody and Ricci

Regards

Mark Woodward

Women's 2nd Grade

First of all we would like to express our condolences to Karen and her family over the recent loss of her mum.

Well as I left my house, the sun was bright the sky was clear and thought this is going to be a good day. My mind was changed as the closer I got to Kingston Oval the thicker the fog was getting and when I reached the oval you couldn't see across the other side. Soon after I arrived the Cootamundra players were pulling in and I greeted them as we had met before at Murrumbateman and we had got on fairly well, even though they only just beat us by 9 points, our closest result so far.

They had had some misfortune the night prior with 3 of their players being involved in an accident, injured and along with others unable to make it. They were quite a few players short but had driven all the way in thick fog to get there for a 10am start in the hope they would get a game of footy. Luckily we had more numbers than we usually would and were happy to reduce playing numbers and even up for a game with no interchange players.

Thanks to the ANU who provided us with 5 players which 3 of them were happy to play on the other side for a quarter. We also had some new players of our own who had never played before but were very keen to give it a go. One of our new players was 17 year old Hayley Dunn who had come down to training the week prior and surprised us with her ball handling and kicking skills.

Unfortunately for me and probably the girls we had no umpire so yours truly got changed and pulled on the whistle. It seemed like the ground was 1km long and 500m wide but it gave me a greater insight to see up close how the girls actually play. It was an amazing game with lead changes all the way through. Can't go any further without mentioning that our 1st 2 goals were scored by our 2 new players, Hayley & Kaitlin really fantastic. In fact players all round the ground were really going well and I think they sensed that we could be a big chance of winning this one. The quarter breaks couldn't come quick enough for some, but the girls played the whole game without having a rest off, for either team. The Coota cap/coach was incredible on the field always encouraging and helping players on both teams which was a wonderful thing to hear from an opposition quality player. Even when 1 of our players got winded and had to go off for a bit she took herself off, to keep both team numbers equal, even though I said that was not necessary she said we had helped them get a game and it was only right.

The game went right down to the wire when we scored a goal which put us 4 points ahead with only 30 odd seconds left on the clock. A really great effort by everyone on the day and probably the best team effort we have had this season and I am sure it won't be the last success of the season.

A special thanks to Kelly and Tim for their work with this side, and also Ray G and Haydon who waved the flags throughout the game. The senior girls who turn up and run water messages or just support this team is awesome and much appreciated.

A fantastic win against a very good side and I believe there is a lot of potential in this team to achieve bigger things for the rest of the season. A history making win for the club.

Pete.

Women's 1st Grade

Welcome back Holly.

This week saw us playing our second time against the undefeated competition leaders by a long shot the Qbyn Tigers. A team that is highly skilled and drilled, a team we aspire to be.

These accolades certainly don't deter us from going about our business and pursuing our quest to be as good a team and group as we can be. This was the focus during the week at training, and pushing the point that an opposition team is only as good as you allow them to be. We designed our efforts around pressure and competing in drills under tired pressure, pushing ourselves and skills straight after lots of sprints.

The game couldn't have started in a more positive manner winning the first clearance and pushing into our forward line immediately, exactly as we hoped. The 1st quarter ended with the tigers only scoring 3 goals and the last was right on the siren, they had never been held to such a low score at the 1st break before. Our intensity in tackling and pressure around the ground was great.

The second quarter was very much the same and they had only totalled 7 goals in a half of footy, again something they had never experienced before and they were clearly upset and frustrated at this. We were achieving what we had intended, good hard pressure with enormous intensity and aggression.

The second half was not as good as the 1st but our determination was still very good and we tried very hard to stem their ability to control the ball, but in the end their extreme fitness and skills were too much for us and they ran out comfortable victors.

Some interesting conversations with their coaching staff and senior players after the game, was they had not at all this season played under such pressure and intensity as we provided. They were very impressed with our game and the fact we were a better side by 50 – 60 points than the last time we met. They have the 2 top goal kickers in the comp at the moment by a long way and we managed to keep them to only 4 goals between them.

The statistics from the game show that we were very competitive and committed throughout.

They had 68 inside 50's only scoring at around 40%.

We made 53 tackles to their 21

We forced 55 turnovers.

Very much the game we intended to bring and the improvement was enormous, each week now ladies and we will finish off the year a happy bunch.

Fantastic efforts all around but awards this week, Greeny, Kat, Holly and Annie. Closely followed by Erin, Nikki and Nat.

Keep up the great work when we are at training and it will pay off in the game.

Impressed. Pete.

Men's 1st Grade

16 June v Qbyn

Having spent the first portion of the year with a strong focus on our defensive structure we had started to work on our offensive work.

We went into the the game wanting to have a solid improvement on our first round performance.

We started the game strong with the play pretty even for the opening 10 minutes. Unfortunately for the remainder of the first half Queanbeyan gained the ascendancy and saw us on the back foot. While still putting up a strong fight across the board Queanbeyan seemed to open us up with their run off half back and we leaked some easy goals.

With some minor adjustments at half time we came out with a greater intent. After conceding a couple early we started to maintain possession and work the ball forward a lot better. While our inability to convert on the scoreboard hurt us in the second half across the board we were a lot more accountable and structured in our play.

Strong efforts from the likes of Daniel Johnson up forward and through the middle, Mick Lovett again after a strong month and Jack Adamson in the middle early and down back in the second half were the highlights of the day.

As we head into the second half of the season we have identified the areas that we need to improve in. With more of a focus on our skills and offensive opportunities we are looking for a strong finish to the year as we look to set ourselves up for next year.

See you all at Greenway this week

Peter Ashcroft

Men's 2nd Grade

On a glorious Sunday morning at Greenway Oval, the Tuggeranong Hawks Reserves were in town to play the top of the table Queanbeyan Tigers, in a game that would illustrate two very important essentials for our continuing season. One, where we stood in terms of success against the pinnacle of reserve grade and two, are we moving forward in the right direction.

On all accounts we came out timid and little overwhelmed by the run of the Tigers and we found ourselves down by 6 goals in the first quarter. After a debrief on areas to fix, we began to play like a team and for all accounts made Queanbeyan second guess their structures.

From then on and the remainder of the next two quarters we played positive football. Going back to the basics, we minimised their run off half back, played pressure football and began to use the structures we have been putting in place at training. As a team we worked more as a machine, maximising each player's strength and supporting their weaknesses. Greater focal points on running lines and intercepting Queanbeyan's ball structures really facilitated our game plan. The Hawks Reserves played some inspiring footy with several chains of in-close handball and releasing kicks hitting targets some highlights.

The Hawks continued to shut down the Tigers in the fourth quarter, only allowing them two majors, whilst we added two of our own.

A great finish to a day where the reserve grade not only reduced the margin from the last time we met but showed growth and promise in all areas of our game. There is a great buzz around the group which we want to see continue, and a lot of improvement in us which can only be realised by getting to training as often as possible to polish up on skills and fitness.

Congratulations

Nikki Harvey

Women In Sport Cocktail Evening

Following the success of the Women in Sport Cocktail Event we have received some excellent feedback to the event from our corporate guests.

"I just wanted to extend my congratulations on pulling together and hosting the Celebration of Women in Sport event at the Yacht Club earlier this month. The speakers were wonderful and ably interviewed by Tim in a way that was both personable and informative. Together with the food & service - it was a high calibre event and I appreciated the opportunity to be there."

"We really had a great night. Hopefully it can become an annual thing"

"A short note to say congratulations for Saturday night – you should be so proud. You made it work! I really enjoyed it and it is a fabulous base to build from in future years. The 'talent' you arranged from all sports was excellent"

"Congratulations on a great night. The feedback has been excellent and you and the Hawks should be extremely proud."

"I just wanted to send a short note to thank you and the Tuggeranong Hawks for putting on an incredible night. The event was fantastic, speakers were inspiring and the atmosphere was so welcoming. Very aware how much work would have gone into that – so thank you and the entire team for a great initiative"

A reminder that the Reunion Party is based on the same format to allow guests to mingle freely and catch up with old friends and Acquaintances. Time is of the essence.
