## Under 17 Match Report

Round 4 saw us travel to Reid to face Ainslie Black and there was a lot to look forward to. Sitting at 2 wins from the first 3 rounds, it was a great opportunity to potentially get another win on the board.

With a slight breeze and the 'downhill' advantage in the 1<sup>st</sup> quarter saw the majority of the play in our forward half, but unfortunately we were unable to capitalise. With work on our forward entries will see the reward for effort.

The boys certainly held their own for the entire match and at no stage were they going to let Ainslie run over the top of them. When they put their mind to playing good hard running footy, Ainslie were unable to combat the style of play and we showed are true potential.

Richard

## Rising Stars Match Report

We went into this weeks game starting to build a bit of momentum off the back of 2 wins in a row. Eastlake we're sitting on top of the ladder so we knew we would be up for fight.

The game started as we thought, a bit of an arm wrestle for the first 10 minutes. An arm wrestle we won and from there on we took control of the game and shut down Eastlake's attack.

Lead by our rock solid backline we were able to hold Eastlake goalless for the game and with our on ballers, who each won plenty of the footy we dominated the midfield providing a number of opportunities for our forwards to score.

A great team effort by all, we are really starting to play to style of footy we know can beat any opposition but in front of us. Which makes for pretty happy coaches.

We have another massive challenge this week going up against the ladder leaders in Ainslie. Cannot wait to get out there and continue this momentum.

Cheers,

Ricci & Woody

## Hawks Senior Women Match Report 11 May 2019

Tuggeranong Hawks Senior Women week 5

Today was a very important day for the club and community as we celebrated Indigenous round. Our senior men's and women's teams had special jumpers to wear designed by our very own Tom Hodge whose passion and artistic talent was outstanding again. We met on the ground at 1pm with our Eastlake opponents to take part in the smoking ceremony which was very moving and ore inspiring.

Our game didn't start till 4.20 so a bit of time to kill. A huge thank you to all the girls who for every function special occasion or wherever the club needs helpers they are the 1<sup>st</sup> to put up their hands to support and carry out many and varied duties. You are a credit to yourselves and the club as a whole.

Our opposition once again was going to be a formidable opponent being a top 3 team with many talented players across the park. Again we had been hit by more serious injuries to some very good players and others who were unavailable. The roll on effect of this is that our 2's numbers deplete and makes it difficult all round. One bright light was that Nat Lockyer was able to make her 1<sup>st</sup> grade debut in her 1<sup>st</sup> season at the club, well done Nat you have deserved the call up and you played really well.

Once again the score did not indicate the nature of the game against a pretty talented side. Our girls fought out the game as usual and we gained respect from the opposition coach who was surprised at our gallantry.

I believe that when we overcome some of our injuries we will be much better and take the pressure off others who have to carry the bag.

We face Ainslie in our next battle and I am confident we can really push them harder than we did at our 1<sup>st</sup> meeting in round 1.

It was a fantastic game by our Captain Kat who denied Eastlake time and time again to get the vote for the best and player's player, Annie came next with her usual relentless game, followed by Nikki Sabrina and Dav's.

Thanks to the club committee particularly Ray for the work and organisation for the day, a job well done.

Cheers.

Pete.

## Hawks Women 2nds Match Report 18th May 2019

Tuggeranong Hawks Women's 2's

Sound like a broken record, but once again we could not get any support from the ANU club. We did get 2 players from the Woden Blues. This still left us about 10 players short, so after contacting Qbyn they were happy to play 16 aside and help us out.

Immediately the call went out for players and with some amazing sweet talking and convincing from Kez she was able to pull together out of retirement for many years some of her old teammates from another era. These players were some of the incredible group of Women players that formed the very successful premierships years in Hawks history. In saying that they had not played footy in a long time, but after many texts and discussions of encouragement and fear they decided to help us out and have a mini reunion on the field. As if it was not hard enough for them we had to start the game at 6pm in about 5 deg under lights with wind rain and kangaroos on the ground. I must say I have not had as much fun at a game of footy in a long time. I don't think we even took much notice of the score; it was more about the preservation of them, the busiest bench ever. It was really evident that these women had not lost their skills or determination but just the art of getting to the ball first. I must also say thanks to the girls who backed up from a really tuff game in the 1<sup>st</sup>'s to help out. Again without all these people putting up there to help out their beloved Hawks and the friendship developed over the years we would not have had a game. Best on the night as well as players player was vintage Kez Hayes, well deserved for all her work, followed by Colby back to her best then Teagan W ever reliable and a Woden girl Kyra did very well.

Great job ladies.

Pete.

## Senior Mens Match Report 10th May 2019

On a beautiful day at Greenway we were proud and honoured to celebrate Aboriginal and Torres Strait Islander peoples, their culture and history and the invaluable contributions they have made to our Football Club and AFL. The welcome to country and the smoking ceremony, performed by Billy Tompkins, were a fitting way to celebrate the occasion. Our Indigenous jumpers looked fantastic and brilliantly designed again by Tom Hodge and sponsored by Rubik 3.

We had two more players make their 1<sup>st</sup> Grade debuts for the Footy Club – Harry Packer and Mitch Thomas – congratulations and well done to both. It was fantastic to have Jay Kickett and Craig Healey present the “debut” jumpers to Mitch and Harry.

A great week on the training track and the pre-game celebration ensured the players were pumped for a big day. The work rate, desire and commitment to compete at every issue ensured the Hawks, despite kicking against the breeze, were right in the contest at the first break.

A good start to the 2<sup>nd</sup> quarter was undone by lapses in concentration and allowed Eastlake to gain the ascendancy at the main break.

The scoreboard does not reflect the closeness of the contest after half time with Eastlake taking full advantage of the short periods where the work rate dropped and skill errors were costly to the Hawks.

## Senior Mens 2nds Match Report 25th May 2019

The Indigenous Round is always an important event on the footy calendar and 2019 was no different. As it falls, Tuggeranong typically plays the very confident and capable Eastlake Football Club. However, the Reserves coming off a convincing win against Gungahlin, a couple of weeks ago, were excited to match up against a more formidable side. This game would inevitably test our endurance, structures and commitment to support each other.

True to their form, Eastlake started strong pinching any opportunity to expose our weakness and score, and score they did with the Hawks letting in twelve goals to one for the first half.

After a few constructive discussions from coaches and players alike, the Hawks took the field wanting to take some resolute from the previous half. With more tenacity and purpose the Hawks turned up the pressure, demonstrating more commitment for the ball and each other. We won more centre taps and scrimmages, cutting off important structural plays and were rewarded keeping the visitors to a resolving five goals to our two goals for the rest of the game.

The reserves were valiant in defeat however, found new focus and direction within their beliefs as a team and as individuals.

Looking forward to showing Ainslie next week, who we really are!!
